Wolcott Treble-Makers

Choir and Band Fall 2026

Welcome to the Wolcott School Band!

Hi, parents and students!

Welcome back to what I hope will be a fantastic, fun, and exciting year of music here at Wolcott School! Your child has expressed interest in joining the Wolcott Treble Maker, and I would love to have them participate throughout the entire school year.

We'll begin our musical journey this fall, focusing on learning instruments, developing fundamental music skills, working together as an ensemble, and—most importantly—having fun making music! I'm excited to see our students grow in confidence and musicianship as we build our band community together.

Instruments & Supplies

Wolcott School has a limited number of instruments available for students. School instruments will be provided on a first-come, first-served basis.

Depending on the instrument your child selects, parents may need to purchase additional materials and supplies throughout the school year. These may include:

- Reeds for clarinet and saxophone players
- Valve oil for brass instruments
- Cork grease for woodwind instruments
- Cleaning and maintenance supplies
- Other instrument-specific accessories or materials as needed
- Book

I will communicate with families about the specific supplies their student may need based on their instrument selection to ensure that they can properly play, care for, and maintain their instrument throughout the year.

Attendance & Rehearsal Expectations

Consistent attendance is an important part of being a member of the Wolcott School Band. Students are expected to attend all scheduled rehearsals unless they:

- Are absent from school
- Receive an early dismissal
- Have communicated with Mr. Jones via email(Parents)
- Are on a school affiliated team with a game.

Band is a team, and every student plays an important role in the sound and success of the group. Regular attendance gives students the opportunity to grow as musicians, support their fellow band members, and prepare together for performances.

If your child will need to miss a rehearsal, please communicate the absence whenever possible so that we can plan accordingly.

Concert Attire

For concerts and performances, students should wear the following attire:

- Black Collared shirt or blouse
- Black pants or black dress
- Black shoes
- Black socks

Our concert attire helps us look unified as an ensemble while teaching students the importance of preparation, discipline, and presenting their best selves. These are habits that support excellence in music, in school, and in the opportunities they will pursue in the future.
